Why Accordia

We are a multi-national technology firm with offices in the U.S. and Serbia. We have been around for over 15 years, and work with some of the biggest names in the financial industry.

We run a dynamic and diverse workplace with a strong emphasis on teamwork. Although we specialize in financial software, we also like to pick up projects from different domains that we find interesting.

We love to experiment with new technologies and strive to stay on the forefront of technology innovation.

What We Do

We provide technology products and services to some of the largest, best-known and most technologically advanced investment funds in the industry.

We work with wide range of technologies, including Java, and .NET, as well as web-based and cloud-native technologies.

Our People

We are an exceptional team of software developers, QA and system engineers, business analysts, project managers and designers. Although we come from different backgrounds, we all share the same work ethic, commitment to quality and innovation, and a strong drive for excellence.

We are always looking for talented professionals to join our team in Greenwich, CT and Nis, Serbia.

If you think you are a great fit for our company, please, leave your CV below!
